Friday, February 9, 1917 The following described livestock, to-wit:

60 HEAD MULES Ranging from 2 to 5 years old. Thirty-four head of extra quality 2-year-old mare mules, from 15 to 15 3-4 hands high and weighing from 1,000 to 1,050 pounds. A select lot of young mare mules that will keep on making you money. Twentyfive to thirty mare mules, from 3 to 5 years old and as good a bunch as ever went under a hammer. They range from 15 3-4 to 16 hands high. All these mules will be sold in pairs and this is a splendid opportunity to get your work stock for

spring at your own price. CATTLE A load of good quality 2-yearsale at the same time.

Terms made known on day of sale. We will meet trains from Mexico and Fulton at Bryans and convey parties to the sale. Sale will start promptly at 11 o'clock and a good dinner will be served on the grounds by the ladies of the Auxvasse Presbyterian Church.
